Weekly Newsletter

Important Information

- FIELD DAY on Monday!!! Wear comfy shoes. ☺ We have your field day shirts if you ordered one! If not, wear **red**!
- Parent Surveys are due May 31st. They can be done online or you can request a paper copy. (see green flyer)
- This year's field day is different. We will not be having the Olympics ceremony. It is just a day for all the kids to play activities.

Reading/Language Arts

- ★ Word Study (words ending in): -og, -op
 - ★ High Frequency Words: the, of, and, a, to, of, in, is, you, that, he, was, for, on, are, like, me, she, can, go, this, my, be, play, here, down, her, jump, see, at
- (For more high frequency words use the Fry First 100 words -
<http://www.uniqueteachingresources.com/support-files/fryfirst100set.pdf>)

Getting Ready For 1st Grade!

☺ Color the boxes as you complete them! ☺

Keep a summer journal! Write down what you do each day!	Place an egg in a glass of vinegar. Watch what happens!	Make a map of your bedroom! Label the items in it!	Create a 'must do' summer activity list.	Catch and collect fireflies in a jar!	Go for a walk with a friend! Record the types and colors on flowers you see.
Watch the sunset for two weeks and record the time. Note how the time changes.	Make a grocery list! Put a star next to the healthy choices.	Go to the library!	Play restaurant and make lunch for your family.	Cover a table with foil. Invite your child to write words in shaving cream.	Pour water into containers of different shapes. Discuss how the water changes to match the shape of the container.
Write a letter to a friend or relative. Address the envelope and mail it!	Fill a glass with water, red food dye, & celery. Record what you see over several days.	Did you go somewhere new for vacation? Write a story about it!	Name a food item for every letter of the alphabet.	Design a paper airplane. Measure how far it flies.	Make a birthday card for someone.
Cut out pictures of people from magazines and write what they might be thinking!	Time how long you can jump rope without missing. Repeat 3 times and compare your times.	Mix oil and water in a container. What happens when you stir it?	Make addition and subtraction flash cards for facts up to 20. Practice with a friend.	Think of summer-themed words. Write them in chalk on the sidewalk!	Get permission to go online. Learn hello in different languages!
How long does it take an ice cube to melt indoors? Outdoors?	Family game night!	Draw a map of your street and label it!	Read a book together. Write an alternate ending.	Write the numbers 1-100 in rainbow numbers!	Read a book to someone and draw a picture of your favorite part!
