BREAK

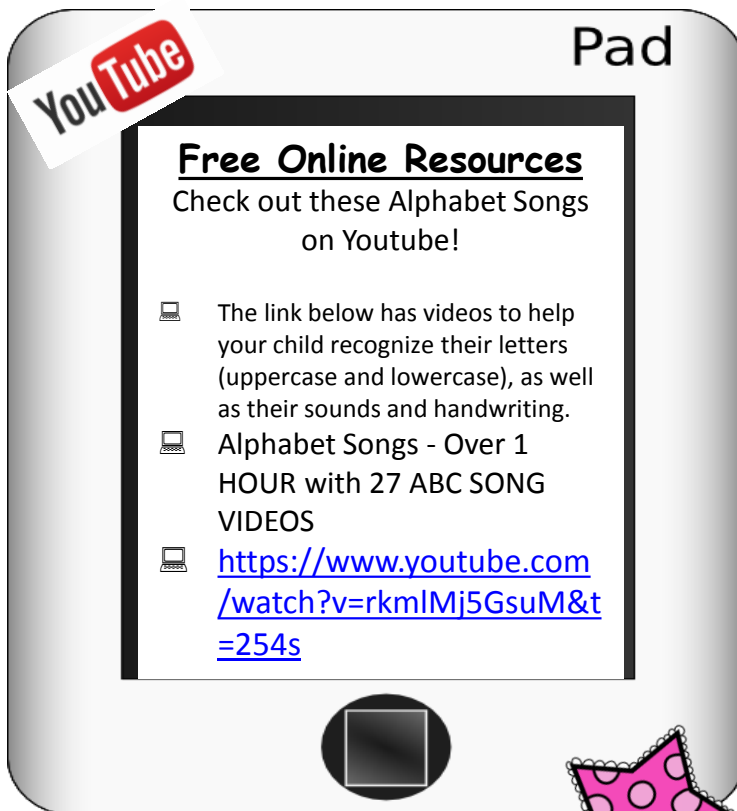

Tips

Counting Practice

- ✎ Practice counting at home by having your child counting pieces of cereal or noodles, as well as other items around the house.
- ✎ Practice counting from 1 to 100 while driving in the car, giving your child a bath/shower, etc.
- ✎ Food Play-Write out several numbers 1-10 or 11-20 depending on your child. Have them make groups/piles of their snack on that number (i.e. Goldfish, gummies).

Free Online Resources

Check out these Alphabet Songs on Youtube!

- ✎ The link below has videos to help your child recognize their letters (uppercase and lowercase), as well as their sounds and handwriting.
- ✎ Alphabet Songs - Over 1 HOUR with 27 ABC SONG VIDEOS
- ✎ <https://www.youtube.com/watch?v=rkmlMj5GsuM&t=254s>

Thinking Outside The Box

One way to get your child writing is to ask him/her to help you create lists. Here are a few lists you could try:

- ✎ Shopping Lists
- ✎ "To Do" Lists
- ✎ Wish Lists-activities/objects
- ✎ Gift List for the Upcoming Holidays

Activity To Try

Play Concentration!

- ★ You don't need to run out and buy the game. You can use a deck of cards or make your own with paper/index cards.
- ★ This game can be used to help your child with their letters, numbers, words, etc.
- ★ Number of players: Two and up.
- ★ Object: To gather the most cards by matching them in pairs.
- ★ Playing: You'll need a large surface area.
- ★ Scoring: When the cards have all been taken, count each card. ...
- ★ Variations: At each turn, you may turn over a third card whenever the first two do not match. If still no pair is produced, return them all to their places. (When down to the final six cards, only two cards may be turned.)
